Program Description (written by Provider) <p>Club Z! delivers the individualized instruction students need to meet their educational goals. Club Z! provides services for both reading and mathematics and specializes in working with students with disabilities and English Language Learners. With Club Z! Choice parents have the option to have their student instructed in a small group setting, with up to 5 students per instructor. Club Z! Choice sessions can be held at the local school (where applicable), community center, or other public location, at times convenient for parent(s)/guardian(s). Students are grouped by age, grade, and academic needs. Club Z! develops a customized program aligned to the Arizona Academic Standards for each student for advanced academic achievement. Students who complete Club Z! Supplemental Educational Services show an average of a year's worth of growth. So start your child on the road to academic success by joining the Club Z! Club today!</p>	
Evidence of Effectiveness (written by Provider) <p>Club Z!, the nation's largest supplemental educational service provider, has been providing the highest quality of tutorial instruction in the nation for 5 over years. Students completing the Club Z! program have shown an average increase of one full grade level in reading and/or mathematics. In Arizona, students at Alhambra Elementary who completed the Club Z! program showed an average increase of 2 grade levels in reading and 1.2 grade levels in mathematics based upon the comparison of pre-and post-assessment scores using the <i>Kaufman Test of Educational Achievement (KTEA)</i>. Similarly, students at Roosevelt Elementary #66 completing Club Z! supplemental educational services in reading showed an increase of 1.34 grade levels, and 2.7 grade levels in mathematics, also using the <i>KTEA</i>. Club Z! has received overwhelming positive feedback from both parents and teachers who have recognized the effectiveness of Club Z!'s program. Club Z! is proud to offer high quality services again this year in Arizona.</p>
